

Connor Forsyth
Design Engineer

I'm a designer with 7+ years of experience across interaction design, design systems, web technology, and user research. Outside of work, you'll find me coding, taking photos, and brewing coffee. I currently work at [Deloitte](#) as a Design Engineer.

WORK EXPERIENCE

Design Engineer (Manager)
[Deloitte Australia](#)

2025 → Now
Sydney AUS

Lead designer for enterprise design systems, AI products, and developer tools.

- Maintaining the GEL Design System across Figma and Storybook (React).
- Leading design for MyAssist, Deloitte's internal AI chat and workflow product.

Service & Product Designer
[Designit](#)

2022 → 2025
Sydney AUS

Working at the intersection of innovation, product design, strategy, and technology.

- Leading design engineering for Ausgrid's BCM portal, using RadixUI, ReactRouter and SharePoint framework (SPFx).
- Product design for Origin Zero's [B2B Net-Zero energy portal](#) and strategising advanced features for their roadmap.
- Leading the digital strategy for [OzHarvest](#), partnering with the Founder, C-suite and extended team to identify key challenges to overcome and combat food waste.
- Reimagined procurement with Origin Energy, leveraging ServiceNow proposals projected to save \$120M in maverick spend across source-to-pay.
- Conducted a residency program to explore AI's influence in design and delivered workshops for 30+ students at [SVA NYC](#).
- Improving 8+ customer jobs through a [chatbot heuristic](#) review and redesign for Woolworths Group.

Design Technologist
[TEDxMelbourne](#)

2018 → 2025
Melbourne AUS

Leading design and technology to deliver world-class events.

- I developed and managed the TEDxMelbourne website, implemented organisational systems for project management, CRMs for volunteers, partners, and speakers, and streamlined core operational processes.
- Leveraged technology to enhance event experiences such as creating audience interaction tools, implementing live streaming, and using AI to create experimental event concepts.

Guest Lecturer & Academic Tutor
[Design Lab: University of Sydney](#)

2022 → 2024
Sydney AUS

Teaching 200+ masters of design students at one of Australia's top universities.
Subjects: [IDEA9106: Design Thinking](#) · [DESN9003: Strategic Design & Leadership](#).

Service Designer
[Civic Disability Services](#)

2021 → 2022
Sydney AUS

Leading the service design and research capability for the 800-person organisation. Delivering projects for employee and client onboarding, and establishing agile rituals and OKRs in line with the strategy.

Service Design & Creative Technologist
[Freelance](#)

2019 → 2022
Sydney AUS

Leading experience design with Stone Digital, Vipassana At Home, and Surf Coast Shire (Government).

Design Strategist (Architecture)
[Billard Leece Partnership](#)

2018 → 2019
Melbourne AUS

Architectural design for government Victorian Building Schools. Prototyping for Peter MacCallum Palliative Care and Cancer Centre. User testing with doctors and nurses to design the bed head for cancer patients.

EDUCATION

2024	Design System University / Animations.dev / Buildui.com / svg-animations.how
2023	FrontEnd Masters: JavaScript, React, Full Stack for Frontend Developers / IDEO: Leading Complex Projects
2022	Design Sprint Masterclass & Workshopper Master, AJ&Smart / CS50x: Introduction to Computer Science, HarvardX
2021	Agile Coaching Certification, ICP-ACC - ICAgile / Codecademy
2020	Human-Centred Service Design, IDEO / Agile Explorer, IBM / Interaction Design Foundation
2019	Service Design Bootcamp, Academy Xi / UX Design Bootcamp, General Assembly
2018	Bachelor of Design (Architecture), The University of Melbourne

SKILLS

Service design / Product design / Creative technology / Front-end development / Design research / Agile coaching / Facilitation / Design sprints / Prototyping / Design systems.

TECH STACK

Figma / Miro / Raycast / Notion / Arc / GitHub / Cursor / Vercel / React / Nextjs / TypeScript / TailwindCSS / RadixUI / Webflow.

SIDE PROJECTS

2024	ReciMe web application design / Figma Plugin: Component Instance Looper / Raycast Extension: Pinch SVG / Miro Workshop Design System
2023	Designer, OpenLibrary.org
2022	Community Advisor, Earlywork
2020	Designer and Developer, Vipassana At Home
2019-21	Design Technologist, Melbourne SOUP
2018-19	Design Director, NAAUC
2016-17	Student Club President, International House Melbourne

SPEAKING

2023	Lecture: University of Sydney, What design leadership can learn from agile methodologies / Panel: School of Visual Arts NYC: AI Sins - The future of the design industry with AI
2022	Workshop: SDN (Service Design Network) Youth Conference: Coach-like Service Design / Host: Tech Talks Sydney + Designit - Sustainability by Design
2018	Seminars: NAAUC National Conference - (1) Diversity in leadership, (2) Universities in a digital world

ASK ME ABOUT...

Filter coffee / Photography / Vulfpeck / All 6 seasons of Lost (TV Show) / Moving from architecture to IxD / Vipassana meditation.

THIS MONTH I'M WORKING ON...

Building a timezone picker tool / Hiking / Rumba, Son, Afro-Cuban / Running.
