Experience

Design Engineer (Manager), [Deloitte Australia](#) Sydney AUS 2025 – Present

Lead designer for enterprise design systems, AI products and developer tools.

- Maintaining the GEL Design System across Figma and Storybook (React), used by 10+ applications.
- Leading design for MyAssist, Deloitte's internal AI chat and workflow product with 15,000 users.

Service & Product Designer, [Designit](#) Sydney AUS 2022 – 2025

Worked at the intersection of innovation, product design, strategy and technology.

- Reimagined procurement with Origin Energy, developing ServiceNow proposals projected to save \$120M by reducing off-contract purchasing across source-to-pay.
- Led design engineering for Ausgrid's BCM portal, using Radix UI, React Router and SharePoint Framework (SPFx).
- Designed Origin Zero's B2B Net-Zero energy portal and strategised advanced features for their roadmap.
- Led the digital strategy for OzHarvest, partnering with the Founder, C-suite and extended team to identify key challenges and combat food waste.
- Redesigned 8 core customer journeys via a chatbot heuristic review for Woolworths Group.
- Conducted a residency program to explore AI's influence in design and delivered workshops for 30+ students at SVA NYC.

Lead Design Technologist, [TEDxMelbourne](#) Melbourne AUS 2018 – 2025

Led design and technology to deliver world-class events.

- Developed and managed the TEDxMelbourne website, plus CRM and project-management systems for volunteers, partners, and speakers.
- Built audience interaction tools, live streaming, and experimental AI event concepts.

Guest Lecturer & Academic Tutor, [Design Lab: University of Sydney](#) Sydney AUS 2022 – 2024

Taught 200+ Master of Design students at one of Australia's top universities. Subjects: IDEA9106 Design Thinking, DESN9003 Strategic Design & Leadership.

Service Designer, [Civic Disability Services](#) Sydney AUS 2021 – 2022

Led the service design and research capability for the 800-person organisation. Delivered employee and client onboarding projects, and established agile rituals and OKRs in line with the strategy.

Service Design & Creative Technologist, Independent Sydney AUS 2019 – 2022

Led experience design with Stone Digital, Vipassana At Home, and Surf Coast Shire (Government).

Design Strategist (Architecture), [Billard Leece Partnership](#) Melbourne AUS 2018 – 2019

Architectural design for government Victorian Building Schools. Prototyping for Peter MacCallum Palliative Care and Cancer Centre. User testing with doctors and nurses to design the bed head for cancer patients.

Education & Continued Learning

Interface Craft	2026
Devouring Details, Rauno Freiberg	2025
Design System University; Animations.dev; Buildui.com; svg-animations.how	2024
FrontEnd Masters: JavaScript, React, Full Stack for Frontend Developers; IDEO: Leading Complex Projects	2023
Design Sprint Masterclass & Workshopper Master, AJ&Smart; CS50x: Introduction to Computer Science, HarvardX	2022
Agile Coaching Certification, ICP-ACC – ICAgile; Codecademy	2021
Human-Centred Service Design, IDEO; Agile Explorer, IBM; Interaction Design Foundation	2020
Service Design Bootcamp, Academy Xi; UX Design Bootcamp, General Assembly	2019
Bachelor of Design (Architecture), The University of Melbourne	2018

Skills

Front-end development, Product design, Software design, Content design, Prototyping, AI development, Design systems, Lean UX, Agile software development, Design research, Service design, Facilitation.

Tech Stack

Code: TypeScript, React, Next.js, Node, Postgres, Tailwind CSS, Base UI, Motion.dev, Docker
Tools: Figma, Paper, Miro, VS Code, Codex, Claude Code, Conductor, GitHub, Vercel, Cloudflare, Raycast, Dia

Side Projects

ReciMe web application design; Figma Plugin: Component Instance Looper; Raycast Extension: Pinch SVG; Miro Workshop Design System	2024
Designer, OpenLibrary.org	2023
Community Advisor, Earlywork	2022
Designer and Developer, Vipassana At Home	2020
Design Technologist, Melbourne SOUP	2019 – 21
Design Director, NAAUC	2018 – 19
Student Club President, International House Melbourne	2016 – 17

Speaking

Co-host: AI Design Studio, Atlassian Sydney – cross-company AI practitioner community	2026
Lecture: University of Sydney, What design leadership can learn from agile methodologies; Panel: School of Visual Arts NYC: AI Sins – The future of the design industry with AI	2023
Workshop: SDN (Service Design Network) Youth Conference: Coach-like Service Design; Host: Tech Talks Sydney + Designit – Sustainability by Design	2022
Seminars: NAAUC National Conference – (1) Diversity in leadership, (2) Universities in a digital world	2018

Ask me about...

Filter coffee, Photography, Vulfpeck, All 6 seasons of Lost (TV Show), Moving from architecture to IxD, Vipassana meditation.

Lately...

Building a timezone picker tool, hiking, running, and Afro-Cuban dance (rumba, son).
